

ROMANS 12:2

DO NOT
CONFORM ANY
LONGER TO THE
PATTERN OF
THIS WORLD,
BUT BE
TRANSFORMED

RENEWING OF
YOUR MIND...

STAYING CONNECTED

Metamorphosis

There are five primary resources for staying connected to our ministry:

- **Facebook—Join Metamorphosis @ St. Paul Youth**

Join Facebook for connection to events, pictures, and to network with other St. Paul Youth and Parents. You must ask to join this group, as it is a closed group for the protection of our youth.

- **Twitter—Follow bebelrev**

Twitter is able to send you text messages of my latest tweets which features a “tweet of the day” reflective thought, latest news, and reminders of upcoming events.

- **Website—www.stpaulchurch.net**

Visit the St. Paul Website for Youth Ministry information, schedules, and forms. Our page is found under the Ministries Tab then Youth Ministry.

- **Parent E-Mail Blast**

Monday or Tuesday parents receive a weekly e-mail to let them know what their youth are studying and some ways to connect with youth to cement the teaching in their lives and within the family unit. This e-mail blast also contains upcoming events and activities. If you have not received the e-mail blast, e-mail bebel@stpaulchurch.net and ask to be added to the list.

- **Sunday Bulletin**

Our events are posted in the Sunday bulletin and contain information about cost, sign-up and parent needs.

Parent Needs...

Pray for your youth (really), pray for the leadership team, sign-up for one night to cook, be a chaperone on a trip or to an event, talk with your youth about their spiritual needs, try the parent interaction in the e-mail blast, be kind to our leadership team, voice your complaints to Brian only.
