Dear Vendor,

We have been notified that you will be providing photography for the wedding shown above at St. Paul United Methodist. Please review below the guidelines to be followed when doing photography for any wedding in St. Paul Church.

With regard to PHOTOGRAPHY, the following guidelines apply:

Before the prelude music and after the ceremony, unlimited pictures of any kind may be taken from any location. Pre-service photography in the sanctuary should be finished 40 minutes before the service. A reasonable amount of time will be allowed for post-service pictures. Please do not move any pieces of furniture or candelabra nor anything on the Communion table.

Once the pre-service music has begun, we request that no flash pictures be taken of the musicians. A discreet number of flash pictures may be taken during the prelude, as guests are being seated, but **ONLY** from the back of the sanctuary.

Once the **PROCESSION** has begun (from the time the pastor enters) and throughout the remainder of the ceremony, there are to be no flash pictures taken, with one exception: Flash pictures may be taken of the bridesmaids, the bride and her escort as they start down the aisle. During the wedding, the photographer can take a reasonable number of non-flash pictures from the back half of the side aisles, the back of the sanctuary or the balcony. ***No cameras are allowed in the Chancel area at any time.***

We have read, and agree to follow, the policies listed above.
